

2020

Diabetic Retinal Eye Exam

Diabetic Retinal Eye Exam:

It is recommended that members with diabetes have a retinal eye exam once a year. According to the National Institute of Health, between 40 and 45 percent of Americans diagnosed with diabetes have some stage of diabetic retinopathy.

This eye exam is offered at no cost to Medicare members who need it. It must be completed during 2020 in order for you to be eligible to receive a reward card.

Provider: Please fill out this form, then fax to 410-779-3957. Please note, all data fields must be completed in order for your University of Maryland Health Advantage patient to receive their reward card.
